- Centers and Institutes
- Extend Understanding
- Recommendations
- Advise

Careers!

# Graduate School and Pathways

- SSHA has sent about 1500 students to graduate school, which is the highest total # by school.
- SSHA students, many of whom are from historically underrepresented and first-generation backgrounds, both aspire to and attend professional and graduate schools.
- SSHA students pursuing graduate degrees tend to be in a wide variety of doctoral programs; additionally professional degrees in fine arts, education, social work, and law are popular too.
